Hola mijos,

After years of teaching Spanish online, I wanted to create something more personal: *a space where students could experience the language through real conversations, culture, and connection.*

Raíces is the experience I wish language schools offered.

And I would love for you to be part of this first edition.

A Glimpse of the experience

La Piedra del Peñol

A little cardio, a lot of adrenaline, and panoramic views you'll never forget.

Guatapé

Colorful streets, breathtaking views, and Spanish language everywhere around you.

Comuna 13

Experience one of Medellín's most vibrant neighborhoods through art, music, history, and local culture.

Metrocable

See Medellín from above while experiencing one of the city's most iconic forms of transportation.

Fútbol

Feel the energy, passion, chants, and excitement of a real Colombian soccer match. **

Language Exchange at the bar

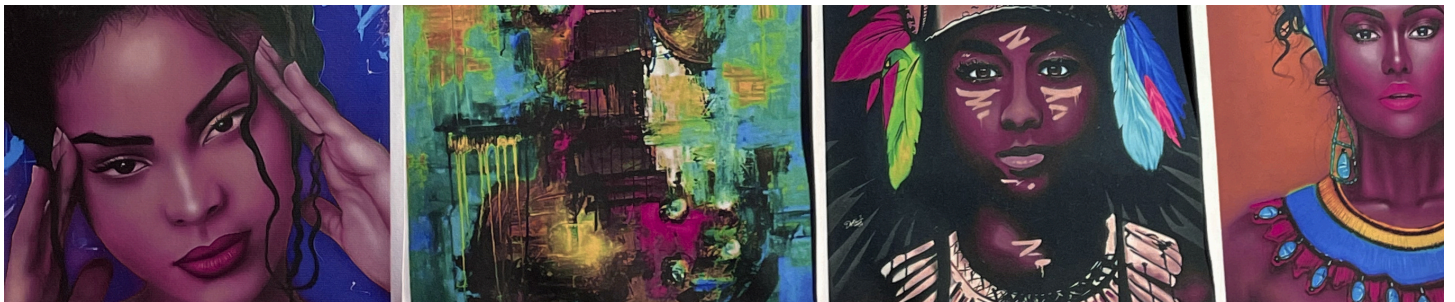

Meet amazing people, share experiences, and create memories while improving your Spanish with the locals.
